

# Stakeholders' Targeted Consultation on EU4health related priorities, strategic orientations and needs

Fields marked with \* are mandatory.

## Stakeholders' Targeted Consultation

### EU4Health Annual Work Programme 2022

[EU4Health](#) is the EU's ambitious response to COVID-19. The pandemic has a major impact on patients, medical and healthcare staff, and health systems in Europe. The new EU4Health programme will go beyond crisis response to address healthcare systems' resilience.

This targeted consultation is intended to seek feedback from stakeholders on the priorities and strategic orientations and on the needs to be addressed through EU4Health annual work programmes, in particular focusing on input that could facilitate reflection for the 2022 EU4Health Work Programme and beyond.

**This targeted consultation will be available until 28 August 2021.**

Please read carefully the privacy statement before proceeding.

## EU4Health Work Programme 2022 - strategic orientations and priorities

1. The [2021 EU4Health Work Programme](#)'s strategic orientations have been designed along four priority strands of actions and one transversal action (cancer).

In your opinion, **what are the most urgent needs to be addressed in the next programming (2022 and beyond)?**

Score from 1 (strand with fewest needs to be addressed) to 5 (strand with most needs to be addressed)

	1	2	3	4	5
Crisis preparedness	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Disease prevention & health promotion	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Health systems & healthcare workforce	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
Digital Health	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Cancer	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

2. According to your knowledge and relating to your sector, **which are the most important objectives to be addressed by EU4Health funding?** Please choose up to five of the objectives listed below (Article 4 of Regulation (EU) 2021/522).

*between 1 and 5 choices*

- Disease prevention & health promotion (Specific objective 1)
- Prevention, preparedness & response to cross-border health threats (Specific objective 2)
- Enhance availability, accessibility & affordability of medicinal products, medical devices and crisis-relevant products (Specific objective 3)
- Complementing national stockpiling of essential crisis-relevant products (Specific objective 4)
- Establish a reserve of medical, healthcare & support staff (Specific objective 5)
- Strengthen health data, digital tools & services, digital transformation of healthcare (Specific objective 6)
- Enhance access to healthcare (Specific objective 7)
- Development & implementation of EU health legislation & supporting evidence-based decision making (Specific objective 8)
- Support integrated work among MS health systems (Specific objective 9)
- International health initiatives & cooperation (Specific objective 10)

According to your experience, **which possible actions (from Annex I of Regulation (EU) 2021/522) can be the most effective for achieving specific objective 1?**

Please choose a maximum of three actions from the list below:

*at most 3 choice(s)*

Promoting life-long health: put in place healthy and safe urban, work and school environments, to enable healthy life choices, promote healthy diets and regular physical activity, taking into account the needs of vulnerable groups at every stage of their life.

Health promotion and disease prevention throughout the lifetime of an individual and by addressing health risk factors, such as obesity, unhealthy diets and physical inactivity.

Enhance health literacy.

According to your experience, **which possible actions (from Annex I of Regulation (EU) 2021/522) can be the most effective for achieving specific objective 6?**

Please choose a maximum of three actions from the list below:

*at most 3 choice(s)*

Deployment, operation and maintenance of mature, secure and interoperable digital service infrastructure and data quality assurance processes for the exchange of, access to, and use and reuse of data; supporting cross-border networking, including through the use and interoperability of electronic health records, registries and other databases; developing appropriate governance structures and interoperable health information systems.

Preparatory activities and projects for the European health data space.

Support e-health, such as the transition to telemedicine and at-home administration of medication.

According to your experience, **which possible action (from Annex I of Regulation (EU) 2021/522) can be the most effective for achieving specific objective 7?**

Please choose a maximum of one action from the list below:

*at most 1 choice(s)*

- Promote access to health services and related facilities and care for people with disabilities.
- Strengthen primary care and reinforcing the integration of care, with a view to providing universal health coverage and equal access to good quality healthcare.
- Promote access to sexual and reproductive healthcare and supporting integrated and intersectional approaches to prevention, diagnosis, treatment and care.

## EU4Health Programme (2021-27) – other alternatives

---

1. **Do you have ideas or any other suggestions** in view of achieving the specific objectives of the Programme and that would provide an EU added value?

- Yes
- No
